**REQUEST TO TRANSFER SEQUENCE LISTING**  
**FROM RELATED APPLICATION**

MS Patent Application

Dear Sir:

Applicants request that the Sequence Listing in both computer readable form (CRF) and paper copy from prior U.S. Application Serial No. 10/646,070 be transferred to the above captioned U.S. Continuation Application.

Applicants assert that as far as the undersigned is aware, the sequences of 10/646,070 are the same as those sequences in this continuation application. Application No. 10/646,070 is a continuation application of Application No. 09/646,807, which is a Section 371 filing of PCT/AU99/00195, is a continuation in part of 09/100,812 (now Letters Patent No. 6,573,099), which is a continuation in part of Application No. 09/100,813 (abandoned) so the transfer is therefore appropriate.

Furthermore, Applicants assert that the paper copy and the computer readable copy of the sequence listing in 10/646,070 are identical.
